Agent performance & presence

Agent	Present days	Ready	Busy	Not ready	Break	Primary state	Handled	Resolution	AHT	SLA	Xfer
Priya Sharma	5	28	6	2	1	Ready	42	88%	4.2m	91%	1
Alex Johnson	4	18	8	4	2	Busy	31	72%	6.1m	68%	3
Sam Lee	3	14	4	5	1	Not Ready	18	65%	7.4m	62%	2

Executive summary

The team handled 111 conversations during the week with an 85% SLA rate. Webchat remained the dominant channel.

Highlights

• Priya Sharma led handled volume with 91% SLA.
• Resolution rate improved versus the prior period.

Improvement suggestions

• Coach Sam Lee on reducing not-ready time during peak hours.
• Review Alex Johnson's transfer rate on complex email threads.
• Maintain ready coverage above 6 hours per agent on weekdays.
